October 20, 2022
Stony Creek Brewery

Luxury Raffles
Music, Food, & Drinks

Join New Reach for a Night Out at Stony Creek Brewery on Thursday, October 20, 2022. This first annual event will feature live music, food, drinks, and the chance to win any number of luxury items including electronics, jewelry, trips, designer handbags and so much more! Everyone who attends will have a chance to win but winners are chosen through luck of the draw!

The goal for this event is to raise the funds necessary for the continuation of New Reach services and programs and to raise awareness for the organization, our mission, and our vision. Additionally, we are looking to foster a space where both new and existing members of the New Reach Community can come together for our shared mission while enjoying a fun night out. One hundred percent of the proceeds will go directly toward the critical work we do throughout Connecticut. We hope to see you there!

About New Reach

On any given night in Connecticut, over 3,000 individuals are homeless, and even more struggle everyday with housing insecurity. Last year alone there were 27,100 requests for shelter in Greater New Haven (GNH) and Fairfield County (FC) with 44% of households in GNH living paycheck to paycheck and 72% of households in Bridgeport. We know 57% of children experiencing homelessness spend at least one day every month without food and 92% of women experience homelessness have also been the victim of significant domestic violence.

Since opening our doors in 1990 as a single eight-bed shelter for women, we've continued to grow and innovate. Today, we provide a full spectrum of programming and support to those in our community who are most in need.

2021 by the Numbers:

- Eviction Prevention: 100% of participants prevented from losing their homes
- Housing: 100% of participants sustained permanent housing
- Shelter: 73% of households moved on to housing from our shelters, compared to 49% statewide.

We know change is possible. We also know with your help we can end homeless in Connecticut by making it rare, brief, and non-recurrent.
